# Chintala Venkata Pavan Harshith

## SUMMARY

Energetic computer science student passionate about innovation and problem solving in artificial intelligence and machine learning. Proficient in python ,java with strong algorithmic knowledge skill in software development methodologies and quick to adapt to a new technologies and eager to contribute to cutting edge projects.

## PROJECTS

### PHOTOGRAPHY

Developed a real time project detection system using deep learning and computer vision improved system performance by tuning the parameters to ensure system deliver accurate results

## EDUCATION

ANIL NEERUKONDA INSTITUTE OF TECHNOLOGY AND SCIENCES  
TIRUMALA COLLEGE  
Dr's KKR GOWTHAM SCHOOL

## TECHNICAL SKILLS

Java  
python  
html and C++  
Dsa
